PROFILE & RESUME

ASPIRING DESIGNER CREATIVE THINKER

With a strong foundation in fine art, I have shifted to the design industry since past 3 years now. Building a skillset in design thinking and execution has now acquired me with the competence to create artwork and creative solutions digitally. I am curious in head and perfectionist by nature which has pushed me to explore in this space .

Holding my passion for design at core, I am eager to learn more through various projects and gain industry experience.
